

hello!

Veronica Jimenez

Designer

About Me:

While I have experience in office management, I found my true calling in design. I focus on mobile and web design across all platforms, I am a serial advocate of user-centered design. I'm looking for a company that values design and a collaborative environment in which we can work together to create awesome products.

My Skills:

Adept with Adobe Creative Suite

Knowledge of front-end markup: HTML/CSS/JavaScript

Knowledge of prototyping and personas.

Strong communication & translation skills in English, French & Spanish

Experienced in office management

My Education:

Agile Mobile Design workshop, General Assembly, San Francisco, CA, 2013

Front End Web Development, General Assembly, San Francisco, CA, 2013

Certificate in Multimedia Studies Web & Mobile design, SF State University, San Francisco, CA, current student

BA , International Business Management, Contemporary University, México, 2007

My Experience:

Design Intern

01/2014 to current

Acopio, Palo Alto, California

Collaborated with senior designer follow his designs. Helped to integrate branding and Coded front end mark up.

Social Media Volunteer

06/2012 to 07/2013

Wonder Dog Rescue, San Francisco, California

Updated website and instagram to match current availability dogs for adoption. Helped with print materials such as brochures, one-pagers, event invitations, flyers and posters.

Customer Support

01/2012 to 05/2012

Hole in 5 enterprise, San Francisco, California

Answered ~100 emails daily from customers in English, Spanish and French for an international skincare line.
