About Me:

I'm a Product Designer with a focus on mobile and web. I am a serial advocate of user-centered design. I'm looking for a company that values design and a collaborative environment in which we can work together to create awesome products.

Skills:

Adept with Adobe Creative Suite, Sketch, Balsamic and Quartz Composer

Knowledge of front-end markup: HTML/CSS/JS

Knowledge of user flows, wireframing and prototyping

Strong communication skills in English, French & Spanish

Education:

Mobile UX Design Intensive, SF State University, San Francisco, CA, 2014

Agile Mobile Design workshop, General Assembly, San Francisco, CA, 2013

Front End Web Development, General Assembly, San Francisco, CA, 2013

Certificate in Multimedia Studies Web & Mobile Design, SF State University, San Francisco, CA, current student

BA, International Business Management, Contemporary University, Mexico, 2007

Experience:

Product Design Intern

04/2014 to 10/2014

Urban Airship, San Francisco, California

Worked with senior designers, product managers and engineers in creating new product features: Starting from white boarding, wireframes, visual design to prototyping in HTML/CSS.

UI/UX Designer

02/2014 to 04/2014

Aftercloud, San Francisco, California

Collaborated with CEO to integrate branding and UI/UX design.

Design Intern

12/2013 to 02/2014

Acopio, Remote work

Collaborated with senior designer on wireframes, prototyping and visual design.

Social Media Volunteer

06/2012 to 07/2013

Wonder Dog Rescue, San Francisco, California

Updated website and Instagram to match current availability of dogs for adoption. Helped with print materials such as brochures, one-pagers, event invitations, flyers and posters.
