About Me:

I'm a designer with a focus on mobile and web. I am a serial advocate of user-centered design. I'm looking for a company that values design and a collaborative environment in which we can work together to create awesome products.

Skills:

Adept with Adobe Creative Suite, Sketch and Balsamic
Knowledge of front-end markup: HTML/CSS/JS
Knowledge of user flows, wireframing and prototyping
Strong communication skills in English, French & Spanish

Education:

Mobile UX Design Intensive, *SF State University, San Francisco, CA, 2014*
Agile Mobile Design workshop, *General Assembly, San Francisco, CA, 2013*
Front End Web Development, *General Assembly, San Francisco, CA, 2013*
Certificate in Multimedia Studies Web & Mobile Design, *SF State University, San Francisco, CA, current student*
BA, International Business Management, *Contemporary University, Mexico, 2007*

Experience:

Product Design Intern   *12/2014 to Current*
SmartRecruiters, San Francisco, California
Worked with product managers to take products from requirements to visual design, including prototyping and user testing, in web and mobile products.

Product Design Intern   *04/2014 to 10/2014*
Urban Airship, San Francisco, California
Worked with senior designers, product managers and engineers in creating new product features: Starting from white boarding, wireframes, visual design to prototyping in HTML/CSS.

UI/UX Designer   *12/2014 to 04/2014*
Aftercloud, San Francisco, California
Collaborated with CEO to integrate branding and UI/UX design.

Social Media Volunteer   *06/2012 to 07/2013*
Wonder Dog Rescue, San Francisco, California
Updated website and Instagram to match current availability of dogs for adoption. Helped with print materials such as brochures, one-pagers, event invitations, flyers and posters.
