About Me:

While I have experience in office management, I found my true calling in design. I focus on mobile and web design across all platforms, I am a serial advocate of user-centered design. I'm looking for a company that values design and a collaborative environment in which we can work together to create awesome products.

My Skills:

Adept with Adobe Creative Suite

Knowledge of front-end markup: HTML5/CSS3/JavaScript

Knowledge prototyping, personas, and wireframing

Strong communication & translation skills in English, French & Spanish

Experienced in office management

My Education:

Agile Mobile Design workshop, *General Assembly, San Francisco, CA, 2013*

Front End Web Development, *General Assembly, San Francisco, CA, 2013*

Certificate in Multimedia Studies Web & Mobile design, *SF State University, San Francisco, CA, current student*

BA , International Business Management, *Contemporary University, México, 2007*

My Experience:

Social Media Volunteer   *06/2012 to current*

Wonder Dog Rescue, San Francisco, California

Updated website and instagram to match current availability dogs for adoption. Helped with Print materials such as brochures, one-pagers, event invitations, flyers and posters.

Customer Support   *01/2012 to 05/2012*

Hole in 5 enterprise, San Francisco, California

Answered ~100 emails daily from customers in English, Spanish and French for an international skincare line

Office Assistant   *01/2011 to 08/2011*

Attachments.me, Toronto, Canada

Supported initial office setup by purchasing office furniture and setting up the kitchen and food supplies
